FISCHERS FRITZ!**

Enjoy our North-German style of cooking with certain specialities, some of them you never even heard about.

EAT AND DRINK WELL

Our kitchen opens onto the dining area: Cooking can be an appetizing sight. Seasonal and regional dishes are the base of our cooking - in order to bring you closer to the tastefulness of Schleswig-Holstein.

Our main speciality is freshly caught fish, delivered daily by the fishermen on Holstein's lakes and rivers as well as from the Baltic. We also serve lamb from the dike meadows and wild of local hunt.

These delicious meals can be combined with a cold beer or one of varied, premium German wines. If you like, you can also enjoy an international one.

A BREAKFAST NORTH-GERMAN STYLE

One of the main reasons our guests remember us in fond terms is our North-German breakfast buffet.

With egg dishes and fresh pancakes. Fish to sample at will. Variations of hefty sausage- and cheese-specialities of the region. Rich in vitamins. With crunchy and sweet temptations. And juices from cherries, currants, apples and oranges.

CULINARY EVENTS

For all fans of extraordinary art of cookery and cultivated table manners, for all savourers and friends of the good taste, we arrange our culinary events on a regular base, e.g.

- Wine & Dine
- „Nordic table pleasure“ (“Nordische Tafelfreuden”)
- Speciality-Days and -Weeks
- “Pleasure for spirit and palate” (Genuss für Geist und Gaumen”)
- Cooking festivals

AND AFTERWARDS...

... the Hasseldieksdamer Forest and the game preserve, located just off the hotel, invite to a nice walk.

AHOI AND SEE YOU SOON AT „FISCHERS FRITZ“!
