# BIRKE Kaminbar

## A PLEASANT CHAT (KLÖNSCHNACK)

Enjoy the quaint atmosphere in our bar, daily opened from 10:00 a.m. to 1:00 a.m.– inside at the fireplace or outside on the terrace in our roofed wicker beach chairs, overlooking the thatched houses nearby.

## CIGARS AND SHISHA

You would like to finish your evening with a tasteful cigar? We can offer a choice of elegant cigars – from the Dominican Republic, from Havana, from Cuba and from Honduras.

Or give a try to the taste and the pleasure of a water-pipe.

The Shisha is the embodiment of oriental tranquillity and hospitality and also gets more and more popular in these parts of the country.

Try the mixture of tabac leaves of international cultivation, combined with ingredients of sugar cane sirup and natural aromes as for example apple.

## SMALL TIME-OUTS

Allow yourself a small breathing time between all your activities – with a nice cup of tea of our various offer, with a glas of Ruinat champagne, the oldest champagne-house, or a long-drink. Certainly as well with a neat beer or an exquisite wine of our considerable wine cellar.

For the small hunger during little breaks we offer tasty snacks & dishes of fresh and regional foods. How about a fresh matie from Eckernförde, homemade soured meat in jelly from Holstein or tasty Roastbeef. Or get vitalized with a Fischers Fritz Sandwich, a piece of homemade pie or a delicious red grout with vanilla sauce.

We love to spoil you.
