

Moin Moin dear guests!

Moin Moin kære gæst!

Here you can experience our "Northern German style" with all senses. The focus of our dishes is the freshly caught fish which we get from the cutter as well as from the fish farmers of the Holstein lakes several times a week.

Her får du mulighed for at opleve "det nordtyske køkken" med alle dine sanser. Vi fokuserer på at servere velsmagende frisk fisk som leveres direkte fra fiskerne af Holsten's sørerne.

Due to our membership at "Feinheimisch - Genuss aus Schleswig Holstein e.V." (Gusto from Schleswig-Holstein) we committed ourselves to obtain a minimum of 60% of our food from Schleswig-Holstein. Therefore, we work closely together with farmers and growers of meat, fish, poultry and vegetables of the region. We receive high quality, seasonal products from them. We only switch to close regions out of Schleswig-Holstein if the desired quality is not available. Da vi har valgt at være medlem af "- Genuss aus Schleswig Holstein e.V." (Gusto from Schleswig-Holstein)" har vi forpligtet os til at benytte minimum 60% af vores råvarer fra Slesvig-Holsten. Derfor har vi opbygget, et tæt samarbejde med landmænd, kødproducenter, fiskere, landbrug med høns og grøntsager fra denne region. Hvis den ønskede kvalitet ikke kan opnås i Slesvig-Holsten benytter vi så vidt muligt andre regioner, som ligger placeret tæt på Slesvig-Holsten.

As your meal is lovingly prepared out of fresh ingredients and with high carefulness by the kitchen staff, we kindly ask you to allow us some time since quality is more important to us than being fast.

Vi bestræber os på udelukkende at servere velsmagende og veltillavet mad baseret på friske råvarer og med omhyggelig tilberedning af køkkenpersonalet og derfor beder vi om forståelse for at der kan være lidt ventetid på maden, da vi prioriterer kvalitet fremfor hurtig levering af maden.

Have a good and joyful time.

Vi ønsker dig en god og behagelig stund i vores restaurant.

BIRKE - NORTHERN GERMAN HOSPITALITY WITH TRADITION

1773 The history of the "Birke" started with a rich wheelwright. In 1773 he acquired a small cottage with a cabbage yard in the village Hasseldieksdamm near Kiel, directly located in a wooded area and close to the sea.

Historien om "Birke" startede med en rig hjulmager. Han grundlægde i 1773 et lille hus med en kålhave i landsbyen Hasseldieksdamm nær Kiel, tæt ved skov og havet.

1802 The wheelwright obtained a serving entitlement from the Royal Danish Rentekammer and opened a pub together with his wife afterwards because the village was constantly growing and the pub offered them sufficient possibilities. The former cook became famous beyond the city for her pancakes which she threw very high up in the air while baking and caught them again with the pan. Many Kiel residents took a wonderful walk on the weekends to enjoy her pancakes. That's how the name "Pannkokenkrog" was created.

Hjulmageren modtog en serverings bevilling af det Royale danske rentekammer og åbnede i samspil med sin kone en pub. På grund af det var en landsby i vækst åbnete der sig gode muligheder for parret. Den tidligere kok blev meget eftertragtet og kendt for sine lækkre pandekager som hun kastede meget højt op i luften og greb igen med panden under selve tilberedningen. Mange af Kiels indbyggere begav sig ud til dette sted for at smage hendes fantastiske pandekager. Det er således at navnet "Pannkokenkrog" opstod.

1902 The small cottage was replaced from Friedrich Arp by a timbered house with 20 hotel rooms, 2 ballrooms, a beer garden and a riding stable. And the name was changed to "Waldesruh".

Det lille hus blev erstattet af Friedrich Arp med et bindingsværkhus som indeholdt 20 hotelværelser, 2 festsale, en "biergarten" og en ridestald. Navnet blev her ændret til "Waldesruh".

1957 During the Second World War the building was confiscated by the English. Eduard and Gertrud Birke acquired the restaurant "Waldesruh" afterwards and renovated and modernized it. Both developed the Waldesruh together with their family to a very well-known and successful restaurant and dance hall.

Under anden verdenskrig blev "Waldesruh" overtaget af englænderne. Efter krigen erhvervede Eduard og Gertrud Birke Waldesruh tilbage. De fik det renoveret og moderniseret. De drev sammen med deres familie stedet og udviklede det til en meget anerkendt og succesfuld restaurant og festlokal.

1971 The family Birke leased Waldesruh to someone else and on the neighbouring estate they built the Hotel Birke-Waldesruh with 13 rooms and 20 beds. 2 years later they extended the hotel by 7 rooms.

Familien Birke forpagtede Waldesruh ud til nogen andre og byggede Hotel Birke-waldesruh på nabo grunden og det havde en kapacitet på 13 værelser og 20 senge. 2 år senere udvidede de hotellet med 7 nye værelser.

1979 Son Rainer Birke took over the hotel with 20 rooms and 31 beds.

Deres søn Rainer Birke overtog hotellet med 20 værelser og 31 senge.

1981 Rainer Birke extended the hotel by a top floor to 33 hotel rooms with 49 beds.

Rainer Birke udvidede hotellet med en overetage, så hotellet rummede 33 hotelværelser og 49 senge.

1983 Again he enlarged the hotel by 6 rooms to 39 rooms with 59 beds.

Han udvidede hotellet med yderligere 6 værelser, der gav en kapacitet på 39 værelser og 59 senge.

1985 18 hotel rooms, a sauna, a solarium, a fitness room, an elevator, a hotel bar and a meeting room were added. The restaurant Waldesruh was leased out again and apartments were established on top of the leased Waldesruh..

18 hotelværelser, en sauna, solarium, fitness rum, elevator, hotel bar og et mødelokale blev tilføjet til hotellet dette år. Waldesruh blev igen forpagtet ud men samtidig blev der bygget lejligheder på overetagen af Waldesruh.

2002 Due to big demand in the Hotel Birke the hotel again was expanded. 25 air-conditioned rooms, an event area, a business center, the restaurant Fischers Fritz and the Birke Spa were added. Completion was in winter 2005.

På baggrund af stor efterspørgsel på Hotel Birke, blev hotellet endnu en gang udbygget. 25 værelser med air conditon, event område, konference center, restaurant Fischers Fritz og afdelingen med Birke spa blev tilføjet til hotellet. Det stod helt færdigt i vinteren 2005.

2006 In order to revive the tradition of celebrating in the "Waldesruh" the mirror hall and the restaurant in the Waldesruh were refurbished after expiration of the leasing contract with the last tenant. Since summer 2006, the traditional slogan resumed: "If one celebrates festivals, one celebrates festivals in Birke-Waldesruh".

For at tilbagebringe traditionen om at fejre festligheder i Waldesruh, blev spejlsalen og restauranten renoveret efter at aftalen om forpagtningen med en anden lejer udløb. Siden sommeren 2006 er det traditionelle slogan genoptaget, "Hvis nogen fejrer festligheder, fejrer man det i Birke-Waldesruh"
